1957-58 SEASON

ACCEPTANCE OF ORDERS: We accept orders on condition that same shall be void should any injury befall our stock from fire, frost, flood, drouth, or any other cause which could not be prevented and over which we have no control.

GUARANTEE: We exercise great care to have our nursery stock true to name; nevertheless it is understood that should any stock prove otherwise, we shall not be liable for any sum greater than that paid to us for only such stock as shall prove untrue.

PRICES: All prices are subject to change without notice. This list cancels all previous lists and all plants listed are subject to stock on hand or prior sales. Californians add 4% tax.

PACKING AND SHIPPING: Plants are packed in lightweight cardboard car-

tons to make them as light as possible, and are sent Express collect. Our responsibility ceases upon delivery to forwarding company and any claims for damaged plants should be made to them. We are a "Pinto Tag" Nursery and plants shipped inside California need no "destination inspection" excepting in the counties of Tulare and Ventura.

Plants being shipped to the South Atlantic and Gulf States require "bare rooting." The soil is carefully WASHED from the roots and the plant is REPLANTED, in the same container, with pure peat. It may be left to grow as you receive it, or may be transplanted to the garden. Feeding is necessary if left in the peat—preferably liquid. This has been a very successful mode of shipping and, of course, is a big saving on Express charges because of the light weight.

BELGIAN INDICA AZALEAS

These are the tenderest and will only stand a low temperature of around 30 degrees. Better as a pot plant although some are good garden shrubs. Not as long lived as others; evergreen.

DR. BERGMAN, rose and pink
MISS COTTAGE GARDENS, red
PROF. WOLTERS, rose and white
VIOLEACEA, purple
FRED SANDERS, red
AVENIR, salmon red
ERIE, salmon and white
TEMPERANCE, orchid
PERLE DE SAFFELIER, white

MACRANTHA AZALEAS

Varieties belonging to this Macrantha group bloom very late, in this locality in May and June and some even throughout the entire summer. Very compact growers with small, glossy dark green foliage. Very hardy and a desirable plant for landscaping.

PINK MACRANTHA
DOUBLE PINK MACRANTHA
HOURI, orchid
CHASTI DIANE, white
MME. DOMONIQUE, rose and white
WHITE LADY
SUMMER SUN, salmon red
MARIE LOUISE, white striped pink
BOUQUET ROSE, salmon
SEIQUA, salmon, white center
ROSEY CHEEKS, salmon
RED MACRANTHA

KURUME AZALEAS

As a group—low spreading, compact plants that bloom so profusely in March-April that only the flowers are visible. Wonderful garden variety for foreground or border plantings or in beds. Make fine tub plants. Hardy to 20 degrees; evergreen.

AMOENA, redish purple
BRIDESMAID, salmon pink
CORAL BELLS, pink
CORAL BELLS, orange
CHRISTMAS CHEER, red

DARK SPRING, purple
DELICATISSIMA, delicate pink

RUFFLED RED
SHERWOOD, red
SHERWOOD, orchid
SNOW, white
SALMON BEAUTY
SWEET BRIAR, light pink
VIVID, red
TEMPTER, bright scarlet
WARDS RUBY, ruby red (full sun)

GLENDAL AZALEAS

Hardy to sub zero temperatures. This group is new and all types of growth and flower formation are to be found. All good garden plants that bloom from March 15 through April; evergreen.

ANCHORITE, rose
ARNOLD, pink
CONTENT, orchid
CARNIVAL, salmon orange
COPPERMAN, copper red
DAYSRING, pink
DREAM, pink
DULCIMER, orchid pink
GEISHA NO. 2, pink, white center
GREETINGS, orange red
GLACIER, white
LITANY, orchid
LUSTRE, rose
TREASURE, white, red marking
WINNER, red; profuse bloomer

PERICAT AZALEAS

Medium fast growth. Compact and very fine bloomers. Hardy to 20 degrees. One of the best groups.

MELBA, dawn pink
MRS. FISHER, salmon
MME. PERICAT, light pink
SWEETHEART SUPREME, dble. pink
TWENTY GRAND, light red
PINOCIOCO, scarlet

GABLE AZALEAS

This group is another hardy one. Evergreen but will stand below zero weather.

CAMEO, shell pink
LOUISE GABLE, double salmon
CORSAGE, baby orchid
GABLES SCARLET
PURPLE SPLENDOR
ROSEBUD, pink

KAEMPFER AZALEAS

Very hardy, persistent leaved, mass bloom.

CARMEN, scarlet red
MAYFLOWER, light pink
MAXWELLI, rose red

SO. INDIAN AZALEAS

(Stands full sun. Hume excepted)

Tall, fast growers that will reach to six feet or more in a 15-year period. Extremely heavy bloomers and flowers are single—three inches. Very desirable as garden shrubs; evergreen. Sun or shade. Hardy to 15 degrees.

DAPHNE SALMON
DISTINCTION, pink
FEILDERS WHITE
FORMOSA, Lavender
GEO. L. TABER, rose and white
IVERYANA, rose and white
H. H. HUME, white
PERFECTION, pink
G. G. GERBING, white
PHOENICIA, purple
